In order to give the Company the flexibility to issue Class A Ordinary Shares and/or Class A Ordinary Shares underlying ADSs (including any sale or transfer of treasury Shares) if and when appropriate, without needing to convene a general meeting for each and every such issuance, sale and/or transfer of treasury shares, an ordinary resolution will be proposed at the AGM to approve the granting of a general mandate to the Directors to allot, issue or deal with Class A Ordinary Shares and/or Class A Ordinary Shares underlying ADSs (including any sale or transfer of treasury Shares) not exceeding 20% of the total number of issued Shares (excluding any treasury Shares) as at the date of passing of such resolution (the “**Issuance and Resale Mandate**”).

The Directors wish to state that they have no immediate plans to issue any new Shares and/or Class A Ordinary Shares underlying ADSs (including any sale or transfer of treasury Shares) pursuant to the Issuance and Resale Mandate.

In addition, subject to a separate approval of the ordinary resolution 8, the number of Shares and/or Shares underlying the ADSs purchased by the Company under the ordinary resolution 7 will also be added to extend the Issuance and Resale Mandate as mentioned in the ordinary resolution 6 provided that such additional amount shall represent up to 10% of the number of issued Shares (excluding any treasury Shares) as at the date of passing the resolutions in relation to the Issuance and Resale Mandate and the Repurchase Mandate (as defined below).

The Issuance and Resale Mandate (including the extended Issuance and Resale Mandate), if granted, will expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or by applicable laws to be held; and (c) the date on which the authority given under the ordinary resolution approving the Issuance and Resale Mandate (including the extended Issuance and Resale Mandate) is revoked or varied by an ordinary resolution of the Shareholders.

4. PROPOSED GRANT OF GENERAL MANDATE TO REPURCHASE SHARES AND/OR ADSs

In order to give the Company the flexibility to repurchase Shares (including Class A Ordinary Shares underlying ADSs) and/or ADSs if and when appropriate, without needing to convene a general meeting for each and every such repurchase, an ordinary resolution will be proposed at the AGM to approve the granting of a new general mandate to the Directors to exercise the powers of the Company to repurchase Shares (including Class A Ordinary Shares underlying ADSs) and/or ADSs representing up to 10% of the total number of issued Shares (excluding any treasury Shares) as at the date of passing of such resolution (the “**Repurchase Mandate**”).

The Directors wish to state that they have no immediate plans to repurchase any Shares pursuant to the Repurchase Mandate.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the AGM.

The Repurchase Mandate, if granted, will expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or by any applicable laws to be held; and (c) the date on which the authority given under the ordinary resolution approving the Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders.

Other information and matters that need to be disclosed or brought to the attention of the Shareholders

As far as the Directors are aware, there is no information of Prof. Xiao to be disclosed pursuant to any of the requirements under paragraphs 13.51(2)(h) to 13.51(2)(v) of the Listing Rules; and there are no other matters concerning Prof. Xiao that need to be brought to the attention of the Shareholders.

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. REASONS FOR REPURCHASE OF SHARES AND/OR ADSs

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchases of Shares (including Class A Ordinary Shares underlying ADSs) and/or ADSs may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares (including Class A Ordinary Shares underlying ADSs) and/or ADSs to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

The Directors have no present intention to cause the Company to repurchase any Share (including Class A Ordinary Shares underlying ADSs) and/or ADSs and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,140,882,268 Shares, out of which 1,785,070,188 were Class A Ordinary Shares and 355,812,080 were Class B Ordinary Shares. Subject to the passing of the ordinary resolution set out in item 6 of the notice of the AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of the AGM, i.e. being 2,140,882,268 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, up to a maximum of 214,088,226 Shares, representing 10% of the total number of issued Shares (excluding any treasury shares) as at the date of the AGM.

3. FUNDING OF REPURCHASES

Repurchases of Shares (including Class A Ordinary Shares underlying ADSs) and/or ADSs will be funded from the Company's internal resources, which shall be funds legally available for such purpose in accordance with the articles of association of the Company in effect from time to time, the Listing Rules, the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF REPURCHASES AND INTERIM MEASURES

Based on the current level of trading price of the Company's Shares and ADSs, the Directors believe there may not be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements of the Company for the year ended December 31, 2024) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period.

The Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

Following a repurchase of Class A Ordinary Shares or Class A Ordinary Shares underlying ADSs, the Company may cancel any repurchased Shares and/or hold them as treasury shares subject to, among others, market conditions and its capital management needs at the relevant time of the repurchases, which may change due to evolving circumstances. Shareholders and potential investors of the Company should pay attention to any announcement to be published by the Company in the future, including but without limitation, any next day disclosure return (which shall identify, amongst others, the number of repurchased shares that are to be held in treasury or cancelled upon settlement of such repurchase, and where applicable, disclose the reasons for any deviation from the intention statement previously disclosed) and any relevant monthly return.

For any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall, upon approval by the Board, implement the below interim measures (collectively, the "**Interim Measures**") which include (without limitation):

- (i) procuring its broker not to give an instructions to HKSCC to vote at general meetings for the treasury Shares deposited with CCASS;
- (ii) in the case of dividends or distributions (if any and where applicable), the Company shall withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the relevant record date for the dividend or distributions; or
- (iii) take any other measures to ensure that the Company will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury Shares.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the WVR Beneficiary was Mr. Li. Mr. Li beneficially owns 108,557,400 Class A Ordinary Shares and 355,812,080 Class B Ordinary Shares, representing approximately 68.27% of the voting rights in the Company relating to matters other than Reserved Matters (without taking into account the voting rights attached to the 22,685,598 Class A Ordinary Shares issued to the Depository for bulk issuance of ADSs reserved for future issuances upon the exercise or vesting of awards granted under the Company's share incentive plans). Pursuant to Rule 8A.15 of the Listing Rules, in the event that the Directors exercise the Repurchase Mandate, the WVR Beneficiary must reduce his weighted voting rights in the Company proportionately through conversion of a proportion of their shareholding into Class A Ordinary Shares, if the reduction in the number of Shares in issue (after deducting any treasury Shares) would otherwise result in an increase in the proportion of Class B Ordinary Shares. As such, to the best knowledge and belief of the Directors, the exercise of the Repurchase Mandate is not expected to give rise to an obligation of Mr. Li to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

In addition, the Directors do not propose to repurchase Shares which would result in less than the relevant prescribed minimum percentage of Shares in public hands as required by the Stock Exchange.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands. In addition, the Company has confirmed that neither the Explanatory Statement nor the proposed share repurchase has any unusual features.

7. MARKET PRICES OF SHARES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 months preceding up to and including the Latest Practicable Date were as follows:
